Approvals:

This compound is approved for use in premises processing all animal product except dairy, operating under the Animal products Act regime.

This approval is under the following regulations and notices, subject to the conditions stated in this approval:

1. Regulation 11(4)(b) of the Animal Products Regulations 2000 and Regulation 18(4)(b) of the Animal Products (Regulated Control Scheme - Limited Processing Fishing Vessels) Regulations 2001
2. Clause 4(1) of the Animal Products (Specifications for Limited Processing Fishing Vessels) Notice 2005, Clause 3(1) of the Animal Products (Specifications for Products Intended for Human Consumption) Notice 2004, clause 4(1) of the Animal Products (Specifications for Products Intended for Animal Consumption) Notice 2006

Conditions:

1. This compound may be used for treating boilers, steam lines and/or cooling systems.
2. Treated water must not be used in edible areas, or used in a manner that could contaminate edible product or stock drinking water.
3. Steam produced from treated water must not be used in edible processes or come in contact with edible product.

This approval may be withdrawn at any time due to unapproved directions for use, or unsatisfactory performance, or any change in product formulation or manufacturer.

The product must be used in accordance with the manufacturer's instructions and specifications. The label may include a statement to the effect that the product is approved for use in premises registered under the Animal Products Act regime. Any statements made, however, must include the approval code and must be limited to the following unless otherwise specified:

NZFA Approved C 62(All animal product except dairy)

This approval must not be used as a Ministry of Agriculture and Forestry (MAF) or New Zealand Food Safety Authority (NZFSA) endorsement of any claim made for the product by the manufacturer.

This approval will remain valid until 31 October 2015 unless the approval is revoked by notice in writing at an earlier stage.

Any queries regarding this approval should, in the first instance, be directed to the Approvals and ACVM Group at the telephone number given in this letter
